

INDEX TO OBITUARIES OF CLARE COLLEGE ALUMNI PUBLISHED IN THE LADY CLARE MAGAZINE OR THE CLARE ASSOCIATION ANNUAL 1920 onwards

Entries for obituaries published in the 1920s are given references which reflect the year and the term in the following format 1922 L, 1922E, 1922 M where L refers to Lent, E to Easter and M to Michaelmas.

The year of death for some entries between 1931-38 is uncertain due to style of records. Please note that there were no College publications between 1939-1947 and so most details of deaths during this period will have to be sought from the College war lists and war memorials (information via the Archivist). However, some were included at later date after 1947.
