

To all candidates for Natural Sciences

We may ask you to come for interview in December (interviews will be between December 6 and 15, so please try to keep this period free of engagements).

There are usually two interviews of 20 - 30 minutes each, which are about science and will include technical questions. It would help us arrange for suitable interviewers if you would complete and return the attached form **immediately** to Shelley Spaxman by e-mail to admissions@clare.cam.ac.uk.

Name:

School:

My best science subject at school is:

My principal interest amongst the sciences at present is:

Which three of these first year courses are you most likely to choose?

1. Biology of Cells
2. Chemistry
3. Computer Science
4. Earth Sciences
5. Evolution and Behaviour
6. Materials Science
7. Physics
8. Physiology of Organisms

Your answers will be used to help us plan interviews and are not binding. Information about the course is available on:

<http://www.cam.ac.uk/admissions/undergraduate/courses/natsci/part1a.html>
