FURTHER PARTICULARS

The College Research Associate Scheme offers short-term collegiate affiliation to postdoctoral researchers and others in similar posts in Cambridge who would like a college association of some kind but do not have one. They are normally expected to be available to assist with the College's teaching and should not hold similar memberships at other colleges. They are elected for a year at a time.

The criteria for selection include both academic excellence, the College's need for teaching in particular areas, and the applicant's ability to contribute to College life.

Notes:

1. Please complete Section A, and pass the form to your research line manager, Head of Department, or appropriate senior member of the department to complete Section B. This person should then send the form by email directly to Sophie King, Fellowship Administrator, Clare College, at srk35@cam.ac.uk by Monday 16 April 2018.

2. Teaching: you should list the courses you are prepared to teach. Please be specific: e.g. Part IB Physics; Chemistry Part II options: A2, B2, B8, C3; IA Biology of Cells; History Part I options: E19, 20; Part II options: B3, 4, C6; Philosophy for 1B HPS.

3. The referee should usually be the applicant's research line manager, Head of Department, or appropriate senior member of the department. They may be contacted if another referee is chosen, to check that they approve of the application.

4. Directors of Studies and their contact details are available on the College website: http://www.clare.cam.ac.uk/Teachers.
