		reduced, tables are sanitised after each use and the room is ventilated.				
Two person lift, manual handling	Gardens Staff	Maintain as much distance from each other as possible. If need to speak, direct face away from cohort. Wear a face covering if this is not possible. Avoid touching the same area and wash hands for at least 20 seconds or use hand sanitiser if needed.	Always check to see if machinery or equipment can be used instead.	All Garden staff	When staff are lifting/working together	
Multiple users in office	Gardens staff	Sept '21 – As per the college guidelines, the dividing screen has been removed but desks remain over 2m apart. Door and windows are constantly open when office in use.	Stagger use of office. Do office work from home when possible. Do not allow non Garden staff into office. Minimise through movement by staff to gain access to stores – possible use of loft hatch access.	Primarily Kate and John but all staff need to be aware of restrictions and working practices.	Immediate effect	29.6.20 26.2.21 24.9.21

		<p>Moved desks further than 2m apart. Put an opaque dividing screen between desks. Both desks are next to windows that can be opened for ventilation. Users must wash hands upon entry and clean any communal surfaces that have been touched. Use hand sanitiser regularly. Avoid desk sharing. Avoid coughing/sneezing/throat clearing in confined space; if unavoidable, turn towards open window and cover face with arm/shoulder. Keep windows and door open for ventilation.</p>		<p>As of Nov'20 the only office user is Kate. When a new deputy is appointed the same rules will apply. As of 8.1.21 John is the new deputy.</p>		
<p>Coughing/sneezing/throat clearing in an enclosed</p>	<p>Gardens Staff</p>	<p>Sept '21 – Staff are encouraged to adopt the “catch it, bin it, kill it”</p>		<p>All Gardens staff</p>	<p>Everyday</p>
