

Activity: College Lacrosse	Date and Time:	Location:
-----------------------------------	-----------------------	------------------

Details of the proposed activities
<ul style="list-style-type: none"> - Weekly matches against other colleges - When the matches are away, the location will be coordinated by the other team however when we are home we will try and play on Oxford Road. - Primarily on a Saturday (however may need to change to Sundays). - We may merge with Murray Edwards and Peterhouse to form a team. - This is based on the University Mixed Lacrosse RA which has been approved by the Sports Department

Hazards	What could go wrong	Risk Level	Additional Control Measures/Notes
Weather <ul style="list-style-type: none"> - Rain - Sun 	<ul style="list-style-type: none"> - Slips - Burn and heat stroke 	<ul style="list-style-type: none"> - Low risk - Low risk 	<ul style="list-style-type: none"> - Encourage wearing of boots in the rain. - Own responsibility to bring sun cream and water.
Participant Numbers <ul style="list-style-type: none"> - COVID 19 	<ul style="list-style-type: none"> - Maximum group size is 30 (i.e 15 from each team). 	<ul style="list-style-type: none"> - Medium risk 	<ul style="list-style-type: none"> - Take a register (CRISID) at the start of every practice/match and keep this for 21 days along with their contact details. - Players should sign up by the day before on the google form. Reserves can add their names and be called if others can't make it.
Participant <ul style="list-style-type: none"> - Distance 	<ul style="list-style-type: none"> - COVID 19 	<ul style="list-style-type: none"> - Medium risk 	<ul style="list-style-type: none"> - On the sidelines, will always keep 2m distance when not playing - When warming up and at all other times apart from during play (approved by NGB), social distancing must be maintained.
Equipment <ul style="list-style-type: none"> - Lack of appropriate Equipment 	<ul style="list-style-type: none"> - Broken tooth without mouth guard - Asking to borrow sticks (COVID 19) 	<ul style="list-style-type: none"> - Low risk - Low risk 	<ul style="list-style-type: none"> - Require players to wear a mouth guard to play.

- COVID 19	- Passing of the illness through equipment	- Medium risk	<ul style="list-style-type: none"> - Lend equipment and the start of the year which people can keep for the whole year – use sign out sheet. - Water bottles and personal equipment not to be shared and spaced out. - Everyone should have their own sticks and balls which should not be shared. Sterilise equipment before/after play. - Have time at half time to sanitise hands
Travel - Travel to matches in a car	- COVID 19	- High risk	<ul style="list-style-type: none"> - Ensure that not everyone is taking the same route to the match location. - Separate the members into freshers, second years etc. and allocate them each a route. - Our college matches will not involve car travel (but if participants do use a car they must not travel with anyone outside of their household/support bubble).
Practice - Close contact - Coaching - After training/matches	- COVID 19 - COVID 19 - COVID 19	- Medium risk - Medium risk - Medium risk	<ul style="list-style-type: none"> - Follow EL rules. - Wear face masks if possible (coaching). - No checking. - Stay 2m apart. - Players to come already changed and ready to play (no changing facilities will be available). - Players and/or club to bring their own PPE eg hand sanitizer and wipes. - Players to take away their own rubbish. - Toilets will be available on a 1 in 1 out basis. - Have their own whistles. - Setting out of equipment should be done by the fewest people possible and all equipment cleaned before and after use. - All players to shower at home.
Matches	- COVID 19	- Medium risk	<ul style="list-style-type: none"> - No stick checks. - Use stick to pick up ball.

			- Empires and referees not to touch the ball (we don't have these in college lacrosse so not relevant).
--	--	--	---

EMERGENCY PROCEDURES

Action to be taken in case of reasonably foreseeable emergencies:

- Immediately call for a test if someone gains symptoms.
- Notify other members of the team who have been in close contact to isolate if someone tests positive and was likely to have had covid at the time of the last match.
- If it is believed that someone has a concussion we will take the suitable actions and call an ambulance if symptoms get progressively worse.

ASSESSOR

Name of assessor: Kirsty Mellor	Signature: Kirsty Mellor	Date 4/10/20; 25/04/2021; and 20/10/21	Date of next assessment 19/10/22
